The Grayling Chamber of Commerce will be sponsoring a special dinner January 23, 1984 at the Arrowhead Inn in honor of the Citizen of the Year.

This years nominees are Dan Priestap, Larry Raymond, Marty VanDeVen and Ernie Dawson. The person chosen as citizen of the year will be announced at the dinner.

Tickets are \$8.50 per person. Menu choice will be sirloin steak, white fish, pork chops or fried chicken. Time of the dinner will be 6:30.

Tickets are limited to 100 so don't miss out! For more information call 348-7123 or purchase your tickets at the Chamber of Commerce, Donna Masker, Old Kent State Bank, or Sherry Haag, Commission on Aging Offices.

## Breaking and Entering Suspect Caught

A man suspected of breaking into Patti's Place in Grayling and carrying off \$60 worth of food, cigarettes, and beer was caught by the sheriff dept. tracking dog, sheriff deputies, and Grayling City Police. The break-in was reported at 8:10 a.m. Friday, January 11, and police found the suspect within two hours. All items taken were recovered according to a sheriff report.

No suspects have been arrested yet for a B & E at Modular Inc., an oil company located along Seven Mile Rd. A 7½-foot snow plow and several tools were reported stolen between midnight and 9 a.m. January 7th. Anyone with information can call the anonymous police tip line at 348-6341 ext. 3000.

A chimney fire damaged the walls and ceiling of a home along AuSable Trail owned by Steve Sendex on Jan. 11. The fire was reported about 8:16 p.m. and no injuries were reported from the blaze. The Grayling Fire Dept. was at the scene for more than an hour and a half.

## Council Honors Nelson Miles

The Grayling City Council honored City Attorney Nelson Miles for 15 years of service and proclaimed January 16, 1985, as Nelson Miles Day in Grayling.

The council urged all citizens to join in honoring Miles for his dedicated public service that has been invaluable for the progress of the city and surrounding areas. Miles has served as the Grayling City Attorney since January 12, 1970. The city council honored Miles at their Jan. 14th regular meeting.

## Schools Seek Citizen Participation For Millage Renewal Issue Meetings

The Crawford AuSable School District is inviting all members of the community to three meetings January 21, 24, and 28 concerning a millage renewal issue or issues to be presented to voters this spring.

A three-year operational millage approved by voters in June, 1982, expires this June, and to put a renewal on summer tax rolls, the millage renewal must be voted upon this spring.

The meetings to help the school board decide what millage renewal issue or issues to place on the ballot will start at 7:30 p.m. at the high school. Persons interested in attending should call the central school office by 4 p.m. January 18 so enough materials will be available at meetings for persons attending.

At the first meeting January 21, information will be provided to participants regarding the district budget history of the last four years, budget projections for the next three years, and costs of unmet needs in the areas of maintenance, curriculum and fund equity.

At the second meeting January 24, participants will break into small groups to identify alternative proposals for the Board's consideration. The third meeting January 28 is scheduled for participants to priority rank alternatives for use in the Board's decision-making process.

## Hanson Hills Marathon Jan. 19th

The Hanson Hills Marathon is a Michigan Cup X-Country Race and will be held on January 19, at Hanson Hills. Starting time is 10:00 a.m. There will be a meeting at 9:30 a.m. for all racers. Registration will be held on Friday night January 18th from 6 to 10 p.m. and on Saturday morning January 19th from 7:30 a.m. to 9 a.m. Entry fee is \$15.00 for all classes.

On Monday nights Hanson Hills will be offering Free X-Country skiing lessons to all adults who would like to learn to X-Country ski. Just come out on Monday nights and sign up.

## Range Firing Conducted

Range firing will be conducted at Camp Grayling during the period 16 Jan 85 thru 23 Jan 85.

The Small Arms Ranges located north of Howe Rd, west of Lake Margrethe, east of the gas pipeline and south of Portage Creek. Firing will begin on 16 Jan 85 and cease on 23 Jan 85.

The Range 40 Complex located north of County Rd 612, east of Guthrie Lake, south of Old State Rd 618, and west of County Rd F97 (Twin Bridge Rd). Firing will begin at 8:00 AM (Daily) 16 Jan 85 and cease at 5:00 PM (Daily) 23 Jan 85.

The ranges will be closed to the public during these periods and all persons are warned to keep out of the areas identified.

## Miss Grand Traverse to Co-Host Miss Grayling Pageant

Sandra Johnson, Miss Grand Traverse Area for 1984-85, will co-host the Miss Grayling Pageant with local resident Wayne Hindmarsh, a popular Master of Ceremonies from previous pageants.

Johnson will help host the show and entertain with several songs during the pageant.

She is a 1982 graduate of Benzie Central High School and is attending Ferris State College to study art. Johnson is a resident assistant at Helen Ferris Hall and some of her favorite pastimes are bowling, singing, and community activities such as participating in a community choir. In 1983-84, Johnson was National Soaring Queen.

Miss Grand Traverse Area 1984-85 will arrive in Grayling Friday, February 1, and she will be meeting all the contestants Saturday as well as joining in the activities.

## \$500 Medallion Hunt Starts Here This Saturday

The second annual Grayling Winter Sports Carnival Medallion Hunt begins Saturday with a \$500 prize waiting for someone.

The medallion is hidden somewhere in Crawford County on public property that is accessible 24 hours a day. Clues to its location will be given each day for 12 days by WGRY and WQON. The Avalanche will publish a list of current clues for the two weeks of the hunt.

The first person to piece together information from the clues and find the medallion will win a \$500 prize donated by Chemical Bank North, Grayling State Bank, and Old Kent Bank of Gaylord.

If you find the medallion you have to take it to either radio station or the Avalanche office to be declared the winner. All that's needed to hunt for the medallion is a winter sports carnival \$1 button and a little determination.

There is no need for medallion hunters to cross private property. Anyone caught trespassing will be disqualified from the medallion hunt.

The medallion was donated by R & H Sports and only two winter carnival committee members know its location, for now.

## Commissioners Change Minds On County Pay Raises

By Jon Thompson

Crawford County commissioners handed out \$1000 pay raises to seven dept. heads in reversing an earlier decision to reduce raises.

They also handed out a \$500 raise they had earlier taken away.

The seven dept. heads receiving raises are the Clerk/Register, Treasurer, Building and Zoning Director, Equalization Director, Sheriff, Magistrate, and Prosecuting Attorney. The Prosecuting Attorney will be receiving his \$1000 increase through retirement benefits bought by the county instead of increased wages.

The Probate Judge received a \$500 raise for 1985.

The commissioners approved these raises Tuesday, January 8, at their regular meeting by a vote of 6-1. Larry Mattis was the lone no vote.

The commissioners approved the raises by rescinding an earlier motion made December 27 that had reduced the raises from \$1000 to a 3.5 percent increase and had taken away the \$500 raise from the Probate Judge.

The commissioners voted to return the raises after department heads visited the meeting to air complaints. The department heads were upset with the pay increase reductions and the manner which they were given.

Treasurer Joe Wakeley said the commissioners placed the \$1000 and \$500 raises in the proposed budget and no objections were made about them until a last minute motion to reduce them.

Wakeley said if the commissioners were dealing with the union bargaining units, they would have notified them about any intention to decrease pay raises.

The commissioners approved the 1985 budget with the

\$1000 and \$500 pay hikes in the department budgets. Then they passed a motion reducing the pay hikes.

The commissioners said they have always acted on the budget and salaries for department heads separately.

The department heads had requested \$2000 hikes for 1985 because they received no increase in 1984.

Equalization director Larry Hunter said the department heads generally bring up the rear on the salary scale around the county. The department heads pointed out that with overtime the average wages of sheriff deputies and shift commanders and county clerical workers was \$1500 more than department heads.

The department heads also said they receive less benefits than county employees represented by bargaining units.

Probate Judge Emil Kraus, who is going to receive a \$500 raise compared to \$1000 for other department heads, asked the commissioners why he was singled out and not treated the same as the others. Commissioners said his raise was half of the others because he held a half-time position, but Kraus pointed out the prosecuting attorney position was considered half-time yet he received the full \$1000 raise.

The circuit court judges and the district court judge didn't receive raises because they recently received raises from the state, commissioners said.

The money to put the raises back in the budget came out of a contingency line item in the 1985 budget.

In a related salary matter at the same meeting before the pay hikes were discussed, the new sheriff Harold Hatfield requested his salary to be cut \$1000 to fulfill a campaign promise he made to help out the county budget deficit. Hatfield said whatever his wages turn out to be, he will give back \$1000 and the commissioners accepted his offer.

## Board Acts on State Fire Marshall Citations

By Jon Thompson

The Crawford AuSable School Board voted Monday night to act on correcting 23 citations issued by State Fire Marshall officers during a December 26th inspection of the Grayling Middle School.

The cost of correcting the majority of the violations is tabbed at \$7,862 for materials. This amount doesn't include the cost of correcting exposed plastic pipes or electrical repairs. The school district is meeting again with the fire marshalls concerning ways to correct the exposed plastic pipes and an electrical inspection was just completed Jan. 11th.

The board authorized most of the citations to be corrected by March 1, but some of the corrective action will be completed during the summer to avoid disrupting classes or because of budget constraints.

The non-compliance areas listed by the fire marshalls include:

- 1) Some ceiling tile must be repaired or replaced with class "B" tile and some tile can be coated with fire retardant coating to bring it up to class B requirements.
- 2) All doors, door frames, and door stops which have been damaged or are no longer smoke tight must be repaired or replaced.
- 3) Additional exit lights need to be installed and some exit lights need to be repaired.
- 4) Replace glass in stair enclosures that is cracked or not wire glass.
- 5) All interior finish must be class B. Paneling in 1st and 2nd floor offices and work room must be dry-walled or replaced.
- 6) Exposed plastic piping must be covered or meet requirements for interior finish.
- 7) Fire dampers must be installed in several ducts.
- 8) An automatic smoke detector must be installed in return air duct.
- 9) All missing doors that separate corridors from other areas must be replaced.
- 10) All areas where holes pierce the plaster ceiling and the wood lathe or the floor above is exposed must be sealed.
- 11) Handrails for basement stairs must be installed.
- 12) Transoms above doors along corridors must be sealed or their closing must be included in emergency plan used in fire drills.
- 13) All fire doors that are damaged or will not close or latch as required must be repaired or replaced.

The school board sent a fire safety compliance report to

the fire marshall office outlining steps to correct the citations by March 1st for some and the summer of 1985 for others. The State Fire Marshall's office still has to approve the board's request to correct the violations by those dates.

The school board said in the fire safety compliance report that "Our plan is to return to the voters with an issue to provide a long range solution for the problem of the Grayling Middle School."

Superintendent Kent Reynolds said the decision on what to do with the Grayling Middle School still rests with the local citizens.

"If we expect someone outside this community to come rushing in and provide a solution for us — be it the state police fire marshall, the state of Michigan, the energy commission, or whomever — we're fooling ourselves. Nobody is going to provide the answer to that building but the people in this community."

Later at the Monday board meeting, Reynolds presented an emergency housing plan for grades 6th to 8th in case an emergency should close the Grayling Middle School for more than two weeks.

For the remainder of the 1984-85 school year two classrooms of 6th graders would be housed at the Frederic Elementary moving a remedial reading class into a small work room and moving music classes into the gym. One 6th grade class would be at the Grayling Elementary making the music teacher push her piano from classroom to classroom. Two 6th grade classes would be housed in the first floor of the Fred Bear Museum along with four classes of 7th graders. All the 8th graders would be moved into the Grayling High School.

For the 1985-86 school year, two classes of 6th graders would be housed at St. Mary's classrooms, one 6th grade class at the Fred Bear Museum, and one at the Michelson Memorial Church. Five classes of 7th graders would be at the museum and all 8th graders would be at the high school.

Reynolds said fire codes would probably prevent the use of the second story of the Fred Bear Museum because it is a wood structure.

Reynolds ironically noted that the fire marshall said if the Grayling Middle School was not currently occupied, it would not be approved as a temporary site for students.

A minimum of one week would be needed to implement the emergency plan and middle school students would be kept out of school while other age students attended regular classes.

## County To Push Recycling

By Jon Thompson

Crawford County will be joining with Otsego County and possibly other surrounding counties for a major recycling push in northern Michigan.

"We've got to stop putting so much into our landfill and start re-using our resources," commissioner Jeannette Kitchen said. "Europe is way ahead of our country in recycling. No one over there throws away as much as we do."

The Crawford County Board of Commissioners voted unanimously to join with Otsego County in applying for a Private Industry Council grant to buy a baler for bundling newspapers into 1100-pound bales.

The baler will be operated by the Gaylord Opportunity Center, which already started a recycling program in Otsego County Nov. 1. The GOC has a drop-off place for recyclable materials and also picks up newspapers and cardboard from businesses.

GOC director Derrick Scacciaferro and recycling project volunteer Paddy DuBois are working with Crawford County officials to set up a large-scale recycling program for Crawford. They're optimistic the program could be more successful here because of the city trash pick-up service and the Grayling Township transfer station. Both counties will bene-

fit from the recycling because they jointly own the Crawford-Otsego landfill located in Maple Forest Twp.

DuBois said the new recycling program could complement the newspaper and cardboard recycling program started ten years ago here by the local Boy Scout troop.

The Boy Scouts collected an estimated 80 tons of paper and cardboard in 1984, and DNR officials figure this is less than one percent of the total material that can be recycled in Crawford. They estimate 50 percent of the waste that entered the Crawford-Otsego landfill is paper and corrugated cardboard.

The Boy Scouts earned about \$2000 for collecting the recyclable paper and cardboard in 1984. They have a trailer parked at Goodale's Mini-Storage in the industrial park for persons to drop off papers and cardboard. The Boy Scouts also pick up at places with large quantities. For more information call Loren Goodale, III, at 348-9414.

County officials are working on a program aimed at recycling newspapers, paper, corrugated cardboard, and "grayboard" cardboard. Later on they would like to include glass and tin cans in the recycling program.

The Avalanche will publish a complete list of recyclable materials along with the method of pick-up the county will be using when the recycling program starts.

## From Our Corner...

Finally, last Saturday we had a beautiful day of sunshine that lasted into the afternoon and we found out our solar panel works...it was really hot in the afternoon but, the problem is we haven't had that many sunny days for it to operate...with our panel we have to have the sun into the afternoon, not just in the morning like it has been on a number of days, at first it looks like a good solar day when the sun is out early in the morning but, by afternoon the clouds have moved in, and that takes care of our free heat...it is a good thing we haven't had to rely on this heat to keep warm so far, otherwise we'd be in the deep freeze...maybe this is the start of some sunny days instead of the overcast ones we have had lately...

We received a nice note from Phyllis Barber when she and her husband renewed their subscription...we were sorry to hear about your stroke but, am happy if I can bring a little sunshine into her life now and then through our turkey...you asked about the progress of our den, we are glad you did, there have been others asking about it so we will bring you up to date...if this country had the same progress as we have had with our den, all of us would be riding in a horse and buggy, reading by candlelight, cooking with coal and wood, etc...

I believe I mentioned before Christmas that the progress was put on hold so our bride could get ready with her decorations of the house and everyone knows that decorations have boxes to keep them for the year, well, these boxes found their way into our den, I guess for safe keeping, no one goes in there because they are afraid of the obstacle course...anyway, to bring our readers up to date we did go in the room this morning to check things out, and all I could see was unpacked Christmas decorations of sorts, and the desk where my typewriter is supposed to be was piled high, I couldn't tell if it had a top or not...the davenport, of which I eye quite often thinking of the time when I may have to rest a bit and won't have to go too far away from the typewriter was also loaded...

Our bride has mentioned before that if she could only have a yard, or garage sale, she could get rid of most of the stuff (junk) and then there would be alot of room...we were like Ford Motor Co., we had a better idea...why not have someone come in and bid on all we have in the house and then we could start all over again like we did when we had nothing...that way she could spend her retirement going around buying other peoples' junk to refurbish empty spaces...she really didn't go for that, besides there wouldn't be any heirlooms to pass on to our children, heaven forbid...someday, with the will of the deity I may have a den all by myself...we have stopped making plans for the present anyway...

Yes, Phyllis, our bride has threatened to kill us after we have written about our den, and I'm sure she will put a contract out on our head after reading this week's column...

We received a small recipe book in the mail last week entitled "You'll Love Venison" from Marv Schultz of Green Bay, Wisconsin telling that the book may be gotten through the mail by sending one dollar and a stamped, self-addressed envelope to Venison Recipes, P.O. Box 1542, Green Bay, Wisconsin 54305. The book contains 32 personally tested recipes and cooking tips for Venison...not being a venison lover, we pass this on to the many around here who are...

Just a note to our fair weather friends who have left for the south and west for the winter...Monday morning issued in another storm that has gone on all day with 2 to 5 inches of snow predicted...we haven't gotten it as bad as Kalkaska and Traverse City and the northwest part of the state where schools were closed today...only time will tell what Tuesday morning will bring...at least we know what to do with the white stuff, that is more than San Antonio does...

This takes care of this week's turkey, so we will bid T.J., Stefany and Amber goodnight, and to all of our readers have a nice weekend it's skiing and snowmobile weather...

## Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

### 23 Years Ago January 18, 1962

With a hair-raising win over the Charlevoix Rayders here last Friday night, the Grayling Vikings held in a first place tie with the Boyne City Ramblers in the Northern Class C Conference basketball race.

Dickie Joseph was five years old January 10th. To celebrate the anniversary his mother, Mrs. Bill Joseph, invited in five little friends in the afternoon. They enjoyed playing games and eating ice cream and birthday cake. Prizes were won by Holly Knibbs, Tina Henig and Jerrie Lowrie. Dickie received many nice birthday presents from his family friends.

The Don Jansens entertained his brothers Charles and Wilfred and their families of Roscommon, and his sister and husband, Mr. and Mrs. John List and family of Saginaw, on New Years weekend.

Miss Kay Jansen was 14 years old January 5th, and to celebrate the event she entertained a couple of girl friends overnight.

Mr. and Mrs. John Canfield are happy to announce the arrival of Miranda Ann, a daughter born January 10th. She weighed 9 lbs. 2 ozs.

Mr. and Mrs. Maurice Alma of Frederic have a baby girl, Candace Lee, born January 9th weighing 9 lbs. 3 1/2 ozs. Mr. and Mrs. Maurice F. Alma, Mr. and Mrs. George Lodge, are grandparents, and Mr. and Mrs. Otis Weaver are great grandparents.

Miss Priscilla Petten-gill was 16 years old January 9th, and to celebrate the occasion she made the first use of her driver's license, bringing home a group of eight young ladies following the basketball game for a pizza party.

Mr. and Mrs. Bill Joseph, Mr. and Mrs. Bob Schulze, and Dr. and Mrs. B.E. Henig tried out the Caberfae skiing facilities Friday afternoon, finishing up the day with dinner at Lake Valley Resort.

Mr. and Mrs. Harvey Rowland and daughter Janet were in Lansing Monday of last week, to see the "Thurber Carnival" at the university.

Geraldine Lowrie was five years old January 8th, and her mother, Mrs. Edward Lowrie invited five of Jerrie's little friends in for the afternoon to help Jerrie celebrate. They played together, then enjoyed ice cream and birthday cake, and each youngster took home a favor.

Jerry and Lloyd Stefins of Manitowoc, Wis., spent the New Year weekend visiting their sister and family, Mr. and Mrs. Clarence Papendick and children.

### 46 Years Ago January 19, 1939

This morning beats the so-far coldest morning this year of 2 below zero by 12 points, the mercury dropping to 14 below zero at 6 o'clock according to the report from the Grayling Fish Hatchery. At 8:30 the temperature seemed to be rising a little, it being 12 below then.

Ted Shaw and Mickey McClain entertained the Lake Margrethe residents at the Shaw home Sunday evening. The evening was spent playing bridge with Mrs. Jack Wade and Mrs. Floyd McClain having high score for the ladies and Horace Shaw and William Hill having high

score for the men. The two fixed the lunch & really showed the women that they had a great deal of culinary art themselves.

Miss Evelyn Skingley, who has been attending Cleary Business College in Ypsilanti has been fortunate in securing a secretary position with the Gateway Inn Corporation in Detroit.

Mrs. Clara McLeod returned Saturday from an extended visit in Bay City with her daughter, Mrs. C.M. Woodbury, who with her husband accompanied Mrs. McLeod home and remained to spend the weekend.

Spikes Keg O'Nails has engaged the services of the "Three Deuces" orchestra and will have dancing every night.

### 69 Years Ago January 20, 1916

During the absence of Miss Metha Hatch from Sorenson Bros., Miss Signa Eilerson is filling her place as bookkeeper.

Oscar and Esbern Hanson and wives are attending the auto show at Detroit, leaving for that city Wednesday.

Miss Fedora Montour entertained a few of her friends at her home Sunday evening in honor of her birthday anniversary.

Harold Swaffield has associated himself with DeVere Burgess in the billiard parlor and is assisting in looking after business. The establishment has moved into one of the new Victor Salling stores.

A very enjoyable evening was spent Saturday at the Lovells home of Mr. and Mrs. Papenfus, by way of an old-fashioned dance. The crowd consisted of three sleighloads of people and all thoroughly enjoyed every minute while there. A very nice lunch was served at midnight.

Those who prepare for the summer days have been very busy the past week in Lovells putting up ice. T.E. Douglas has 1,500 fine cakes stored in his ice houses.

## The Bible Speaks

From Calvary Baptist Church

### VIEWS OF THE POPE

U.S. Catholic bishops have voiced public disapproval of both our defense structure and our economic system in this country. The Pope has given assurance that the U.S. bishops reflect the position of the church of Rome. The Pope's visit to Canada as reported by Wilson Ewin, gives us factual evidence of this observation.

The Pope spoke of "world injustices and the arms race" by saying, "this poor south will judge the rich north...And the poor people and poor nations - poor in different ways, not only lacking food, but also deprived of freedom and other human rights - will judge those people who take these goods away from them, amassing to themselves the imperialistic monopoly of economic and political supremacy at the expense of others" (The Edmonton Sun, September 18, 1984).

The Pope blamed Canada for not feeding the millions of starving people in underdeveloped countries. He said, "Canada has been called the bread basket of the world. It is a cruel paradox that many of you could be engaged in the production of food are in financial distress here, while at the same time hunger, chronic malnutrition and the threat of starvation afflict millions." The Pope called for "a restructuring of the economy so that human needs be put before mere economic gain."

A Canadian newsman summed up the Pope's message: "Here's where you realize what these guys are up to and why the Pope gets his picture on The Sun business page today...You got it: ownership of capital is bad, technology is evil, increased productivity is sinister, government spending is the solution" (The Edmonton Sun, September 16, 1984). By referring to the blessings of God upon our system of free enterprise as,

"amassing to themselves the imperialistic monopoly of economic and political supremacy at the expense of others," the Pope judged us with the same language often used by Communists and Communist sympathizers.

Attitudes and actions of the Roman Catholic Church since Vatican II Council of 1963 raise some serious questions. What part is the Catholic Church playing in the last great universal religious, political and economic system described by a literal interpretation of Revelation chapters 17 and 18? How is the Catholic Church identified with "Mystery Babylon the Great?" What will be the relationship between the Pope and the antichrist or the false prophet who supports him? The past is clear from history, the future is clear by Bible prophecy, but where are we at today? Those of us who have absolute faith in the God of the Bible, and support the free enterprise system and strong defense of our country, are being challenged to serious evaluation of our position.

## Schuette is New Congressman

Vowing to "preserve, protect, and defend the Constitution," Midland Republican Bill Schuette was sworn in Thursday as the new representative in Congress for Michigan's 10th District.

Accompanied by family and friends, Congressman Schuette took the oath of office at approximately 1:30 p.m. EST, officially inaugurating his first term in the U.S. House of Representatives.

"I am very grateful to the people of the 10th District for placing their confidence in me," said Congressman Schuette, "and I will do my utmost to be worthy of that trust."

Congressman Schuette's Capitol Hill office is 415 Cannon House Office Building, Washington, D.C. 20515. The telephone number is (202) 225-3561. Offices in the district are being organized.

Among recent staff additions is William J. Mencarow, Jr., 35, who has over six years of legislative and public affairs experience with the U.S. House of Representatives. Mencarow supervises both the legislative and press operations for Congressman Schuette.

"Bill Mencarow brings a strong background of public service and Capitol Hill expertise to his position as Legislative and Press Director," Congressman Schuette said. "Bill will provide both our Congressional office and the people of the 10th District with the very best experience and service."

## Capitol Commentary

By Sen. Connie Binsfeld  
36th District

On January 9, we returned to Lansing and began the new 1985-86 legislative session. Let's look ahead to some of the issues that will be debated.

One exciting new idea is a health care cost containment measure focusing on the notion of prevention and a more health-conscious awareness. The plan will involve local health departments, greater educational emphasis in the schools, more health-oriented programs at the worksite, with statewide funding for successful and experimental programs. Not only is an ounce of prevention worth a pound of cure, but can also be worth millions of dollars annually in health care cost savings.

Another issue that will receive prompt and aggressive attention is the question of a tax rollback. According to state officials, Michigan ended the year with a \$282 million surplus. Those kind of numbers call for a return to the pre-increase tax rate of 4.6 percent before 1987, when the current level is slated to decline. In addition, we will be discussing the state budget, outlining our spending priorities and paring the budget to accommodate only the most pressing programs.

Crime and the overcrowded prison situation will continue to be at the forefront of activity. Already we are looking at the feasibility of implementing sentencing guidelines to ensure some uniformity in prison sentences. We also need to make sure, however, that there is adequate prison space, and will be looking at the possibility of private sector prison construction.

Another topic we will continue to delve into is toxic and solid waste management. We cannot afford to wait until there is no more room to dispose of our wastes. We must start planning now to bring about the most efficient, space-saving treatments to ensure the safety of our citizens.

A whole range of economic developments is on the agenda. From reforms in worker's and unemployment compensation to alterations in the Single Business Tax, we will be working to make Michigan more competitive and a more attractive place to build and expand businesses.

These are just a few of the broad topics we will be discussing. Other possible legislation may include the revival of a mandatory seat belt law, the end of Medicaid-funded abortions and privatization of Medicaid management.

These, and other problems, have been before us in the past. But the beginning of a legislative session, like the beginning of a new year, brings renewed enthusiasm and innovation. Look for new and exciting answers to some of the toughest questions we face.

## Daniel's Den

Jamboree night at the Den this Saturday! The stage is open to those who want to share a song or testimony. Last month on Jamboree night, we had a very special time of song & sharing of scripture with everyone having a chance to participate.

Last week on our "surprise" Saturday, we had Alesia Fowler share in testimony and song. She & her husband are helping to start a new church in Houghton Lake. They travel each weekend from Southern Seminary in Louisville, Ky., to northern Michigan to serve the Lord. We hope that we can have them back again soon.

Coming up on the 26th are the Dowlings, Mike & Laura and Lyle & Linda. This will be their second time at the Den and we are sure everyone will enjoy them as much as they did the first time.

Daniel's Den is located on the corner of the I 75 Bus. Loop & W. M-72. Doors open at 7:30 p.m. with music from 8:00 to 10:30 p.m. There is no charge, however, donations are accepted at the door.

Daniel's Den is a ministry of Open the Door Ministries, Ltd.

## Board of Commissioners

December 18, 1984 — Special Meeting  
SYNOPSIS

The December 18th Special Meeting convened at 7:00 p.m. for the purpose of considering a legal matter. Commissioner Halstead was absent, and Welser arrived at 7:30 p.m. Treasurer Wakeley also arrived at 7:30 p.m.

Following call to order, the Board voted to enter Executive Session to discuss a legal matter, as advertised. The Executive Session ended after 25 minutes, and the Special Meeting resumed.

A twenty minute discussion followed, regarding the 1985 proposed budget, with Treasurer Wakeley explaining the position of the 1984 Tax Allocation Board relative to setting separate tax limitations.

Meeting adjourned at 7:50 p.m.  
Full text of official minutes is available in the Office of the County Clerk.

December 18, 1984 — Public Hearing  
SYNOPSIS

The December 18th Public Hearing convened at 8:00 p.m. for the purpose of receiving comments on the proposed General, Special Revenue, Debt Service and General Revenue Sharing Fund Budgets. All commissioners except Halstead, and nine citizens attended. Following adoption of Hearing Rules, Finance Chairman Mattis reviewed the \$2,132,000.00 in revenues upon which the 1985 proposed budget was formulated. He explained various fee increases for county services, and expressed confidence that with co-operation from all departments, expenditures would remain within revenues.

**CITIZENS SPEAKING TO THE PROPOSED BUDGET INCLUDED:**

—Walt Nowak and Ron Fraser, who expressed concern over the \$5,000.00 decrease in the Airport Appropriation. They stressed the need to adequately support the Airport because of its impact on area economic development. Also noted was the importance of continuing the air ambulance service. Both requested that the Board reconsider its commitment to the Airport and Economic Development.

—Dave Frederick explained that generating airport revenues through runway fees is prohibited because the facility is on Federal land.

—Bernie Fowler questioned what appeared to be inconsistencies between 1984 projected expenses and 1985 budgeted figures. Commissioners provided clarification by explaining areas which appeared to be unrealistic or inconsistent.

—Ivan Gwilt commented on the growing demand for Cooperative Extension services, expressed concern that the contingency fund was inadequate, and questioned a new line item entitled "Holiday Pay". It was explained that the item reflects only the cost of Sheriff Dept. holiday pay, since other county employees do not work holidays, and therefore require no budgeting of additional pay.

Much general discussion and clarification followed, with Mattis stressing that funding decisions are difficult when citizens have differing priorities.

The Board assured those present that as many services as possible are being provided with the funds available.  
When no further comments were offered, the hearing was declared closed at 9:14 p.m.

Full text of official minutes is available in the Office of the County Clerk.

December 27, 1984 — Regular Meeting  
SYNOPSIS

The December 27th meeting convened at 9:45 a.m. Kitchen, Harland, Neilson and Mattis attended all day. Miller attended the afternoon session and Welser and Halstead were absent. Seven visitors also attended at various times.

**IN FORMAL ACTION, THE BOARD:**

—Accepted the December 11th minutes as presented.

—Approved payment of \$39,359.43 in General Fund vouchers, and Fish Hatchery bills of \$47.30.

—Authorized payment of Blue Cross-Blue Shield insurance premiums for Sheriff White for an additional 60 days.

—Reviewed and accepted 23 pieces of correspondence.

—Moved to obtain information from surrounding counties relative to fees charged for use of rooms in county buildings.

—Adopted the 1985 General Fund Budget in the amount of \$2,124,680.00. The budget, with amendments, differed from the draft presented at the Public Hearing in that Budget Stabilization and the Airport Appropriation were increased, and Dept. Head salary increases were reduced.

—Adopted a resolution accepting the budgets of appointed boards of the county, and granting these bodies the authority to manage their budgets within generated revenues.

—Following a presentation of a Gaylord-based recycling program, agreed to enter into a joint application with Otsego County for a grant to fund the purchase of a horizontal bailer for corrugated paper and paper by-products. Crawford's invitation to participate in the project stems from our joint participation with Otsego in the landfill.

—Approved transfer of \$50 thousand from a 100% Delinquent Tax Fund to the General Fund for Child Care, and a similar transfer of these monies from the General Fund to the Child Care Fund.

—Ordered memos sent to all county departments indicating that in the future, office supplies will be purchased in bulk through the Clerk's Office.

—Decided, by consensus, that a patrol car repair should be charged to the Sheriff's vehicle repair line item, rather than charged to the insurance loss fund.

—Appointed Walter Nowak to a one-year term on the Board of Northern Michigan Substance Abuse Services, Inc.

**IN OTHER BUSINESS, COMMISSIONERS:**

—Were briefed on the Health Department's plan to split our WIC program from the Grand Traverse region; and learned that local health services may be cut due to Crawford's failure to

5 Crawford Co. Avalanche Thurs., Jan. 17, 1985

meet its requested appropriation.  
—Learned that the Building Authority had approved the plans for jail renovation, but that more information was necessary prior to approval of additional office space and insulation for the courthouse. Estimated cost of the latter project is \$7 to \$9 thousand, and was considered an immediate priority.

—Discussed a request for additional space by the Lottery Office, and the advisability of enlarging state offices when county operations lack adequate facilities.

—Discussed with the Sheriff a legal opinion relative to ambulance service, and the cost of disposing of animal carcasses. It was also agreed that an accurate hire date would be established for a deputy sheriff.

—Discussed changes being considered for membership of the Commission on Aging.

—Learned from NEMCOG that the only energy grants available are those already reported by Michigan Association of Counties.

—Heard an update on the landfill operation, and requested Commissioner Miller to inquire whether the landfill could repay a loan advance made by the county in 1983.

—Discussed, in depth, the 1985 Budget.  
Meeting adjourned at 5:10 p.m.  
Full text of official minutes is available at the Office of the County Clerk.

January 2, 1985 — Organizational Meeting  
SYNOPSIS

The 1985 Organizational Meeting of the County Board was called to order by Clerk Wieland at 1:30 p.m. All commissioners were present, and three visitors attended. Kitchen was appointed temporary chairperson by unanimous vote, and nominations for permanent chairperson and vice-chairperson were then conducted as follows:

—Neilson nominated Harland for chairperson, and was supported by Miller.

—Miller nominated Kitchen for chairperson, and Kitchen declined the nomination.

—Miller nominated Mattis for chairperson, and was supported by Harland.

—Nominations were closed, after which secret ballots were cast, resulting in Harland winning the chairmanship by a vote of five to two.

—Miller nominated Kitchen for vice-chairperson, and was supported by Mattis.

—Nominations were closed, and Kitchen declared vice-chairperson by unanimous vote.

**IN OTHER BUSINESS, THE BOARD:**

—Scheduled regular board meetings on the second Tuesday and last Thursday of every month, pending a review of the calendar for conflicts with holidays and MAC conferences.

—Changed the name of the Finance Committee to the Ways & Means Committee, and scheduled its meetings for the Friday preceding the first regular board meeting of the month, at either 9:30 a.m., or 1:30 p.m. This schedule is also subject to a calendar review for conflicts with holidays and MAC sessions.

### Review

By Bruce Patrick  
Conservation Officer

Wild turkey hunting season is rapidly approaching, with the deadline for applying for a permit February 1, 1985. Permit applications are available at most license agents.

Many of the turkey hunting regulations are the same as previous years, but there are some important changes. One of these is the duration of the hunt. In the past, a permit was good for a particular four or five day period. This year, most permits are good for up to thirty-one days.

Another change is in the hunting areas themselves. Some rather drastic restructuring of boundaries has taken place.

The third important change is the prohibition of baiting. It is now unlawful to hunt for, take or attempt to take wild turkeys over bait.

The application procedures are the same as previous years:

-purchase the application from a licensed agent.

-fill out the application as directed.

-mail the application, being sure it is postmarked on or before February 1, 1985.

Again, you may apply with a partner, but you may only apply one time.

Unsuccessful applicants will have their application fee refunded.

Turkey hunting, when done the right way, is perhaps the most difficult type of hunting available to the sportsman. Not so much in regard to physical rigor, but in the amount of skill required. It is a true test of one's abilities and remains a quality sport in Michigan.

Hunting Guides for the 1985 Wild Turkey Gobbler Season are available at DNR offices and license agents. They give complete instructions on how to apply for a permit.

### Legislative pay denial unlikely

by Richard Milliman

IN CASE you missed it somewhere along the line, the Michigan commission which sets pay levels for state officials approved pay hikes for the governor, lieutenant governor, supreme court justices and state legislators.

The State Officers Compensation Commission last month decided a cost-of-living hike in the neighborhood of five percent was in order — despite the fact that their hearings and studies showed Michigan officials already ranked pretty darned high in comparison with other states.

The raises were recommended in face of another factor which was considered by the SOCC members and apparently discarded — that Michigan state government still is in pretty rocky shape, but not as bad off as it was a couple of years ago.

Anyway, the raise has been ordered and will take effect unless the Legislature turns it down. Don't hold your breath waiting.

THERE APPARENTLY will be a chance for lawmakers to vote on the question, however. Rep. Philip Hoffman, Jackson County Republican, has promised to introduce a resolution to deny the pay hike. Hoffman, incidentally, also says he will not accept his own pay raise and has invited other state officials to do the same.

"It's a matter of conscience, not compensation," Hoffman said. "Regardless of what legislators think they should be paid, we should delay a pay increase until Michigan's economic problems are over."

Under the proposed pay boost, lawmakers will go from the present \$33,200 salary to \$34,860 this year, and to \$36,250 in 1986. Executive officials will get similar raises, and so will judges.

The effect will be felt throughout the state and not just in Lansing. Michigan's judicial system ties the salaries of most judges to the level of the pay of justices of the supreme court. So when the supreme court pay goes up, so does the pay for appeals court judges, circuit judges, district judges, etc.

HARRIED TAXPAYERS shouldn't bet on Hoffman's resolution being adopted. It has

never happened, and won't this time either. I wouldn't be too surprised either if somehow a vote on the whole subject is skirted.

Michigan's 50,000 or so classified or civil service employees also will get a pay increase this year. The Michigan Civil Service Commission has approved a pay hike averaging five percent.

The cost of government keeps spiraling. So, apparently, do taxes to keep up with it.

Incidentally, maybe now's the time for pay hikes and other increases after all. Rep. Hoffman's comments indicate he thinks more money is all right, but it should be delayed "until Michigan's economic problems are over."

"I've been following state government closely for about 30 years now — since way back in the days of Gov. Soapy Williams, and the payless paydays of that era — and I've never seen a time when Michigan didn't have economic problems of one type or another. To wait until they're over would mean pay would never be increased.

Wait a minute now... Could that be what Mr. Hoffman has in mind? Maybe it wouldn't be such a bad idea after all.

IRAN ACROSS an old story the other day, and it brought a chuckle once more to the heart of this hard-bitten newspaper-person.

An English lady arrived in New York one Saturday afternoon (so the story goes) and the next morning went out to buy a newspaper.

As the newsstand dealer thrust the huge Sunday edition into her hands, the lady was shocked.

"Do you mean to tell me," she asked, "that all this happened since yesterday?"

CAN YOU tell my alma mater from this riddle: What does a University of Michigan graduate say to a Michigan State University graduate 10 years later? Answer: "Yes, boss."

Okay, you are welcome to turn it around if you want. It's funny either way.

Or, for equal time, try this: How many MSU students does it take to change a light bulb? Answer: Only one...but he gets three credits for doing it.

## Some Social Security Benefits May Be Taxable

Detroit — Some retirees who receive social security benefits or tier 1 railroad retirement benefits may have to pay federal income tax on part of their benefits, according to the Internal Revenue Service. Depending on your state of residence, a similar tax may be required by your state government.

Previously, social security and tier 1 benefits were exempt from federal income tax; however, the Social Security Amendments of 1983 made a portion of these benefits taxable to keep them in line with other retirement benefits, which are generally taxable.

If you received social security or tier 1 benefits in 1984, a Form 1099 will be mailed to you by January 31, 1985. This form is similar to those sent by banks and savings and loans showing interest earned during the year. The amount of net benefits you received in 1984 will appear in Box 5 of this form. You should keep this form for your records and not attach it to your tax return.

If you received social security benefits, you will receive a Form SSA-1099, Social Security Benefit Statement. Enclosed with the Form SSA-1099 is IRS Notice 703, which includes a worksheet to help you determine whether part of your benefits may be taxable.

If you received tier 1 benefits, you will receive a Form RRB-1099, Statement for Recipients of Payments by the Railroad Retirement Board. Enclosed with your Form RRB-1099 is a worksheet similar to the worksheet included in Notice 703.

Generally, your benefits will not be taxable unless your income, plus one-half of your net social security benefits, plus any tax-exempt interest you received in 1984 is more than:

-\$25,000 if you are single;

### Fuel Assistance Available

Northeast Michigan Community Service Agency, Inc. (NEMCSA) has received a Targeted Fuel Assistance Program Grant through the Low Income Home Energy Assistance Act of 1981 for \$131,362. This grant will assist low-income families in meeting the high costs of home heating in an eleven county region.

Local centers have been established to assist in applying for funds. The counties served through NEMCSA are Alcona, Alpena, Arenac, Cheboygan, Crawford, Iosco, Montmorency, Ogemaw, Oscoda, Otsego and Presque Isle.

To be eligible families must either meet 75% of the Poverty Income Guidelines or 125% of the Poverty Income Guidelines and expend 12% or more on home heating costs.

Clients will be served on a first come, first served basis from January 14, 1985 through February 8, 1985.

For a complete schedule of center locations, hours and additional information, inquiries may be made to NEMCSA, 2373 Gordon Road, P.O. Box 1038, Alpena, MI 49707. Telephone 517/356-3474.

### Surcharge Considered As Means of Financing Prisons

Warren M. Hoyt, Executive Dir., MPA

Governor James J. Blanchard is expected to call for a prison construction program backed by surcharges on criminal convictions, officials confirmed recently.

The extent of a revenue bond program has not yet been decided, Treasurer Robert Bowman said, adding recommendations will be forwarded to the Governor by the end of January.

Bowman said conversations with the Governor indicate he wants to "do what he can" towards building new prisons backed by criminal's surcharges, with the state general fund supplementing construction projects.

The Corrections Commission has approved plans for 10 new prisons costing \$350 million.

The Governor has not yet decided how many prisons the state needs, Bowman said, and noted figures are still being developed on how many convictions could be subject to the surcharge and the amount of the surcharge.

Assuming interest rates remain at about 10 percent, he said the surcharges would support a revenue bond about 10 times the amount of revenues raised each year.

While he said he has been considering such a proposal "for some time," Bowman said it is based on a Kentucky program which levies a \$10 fee on those convicted of misdemeanors in district courts.

The \$3.5 million a year expected in fees will pay for \$32.3 million in bonds for jail projects.

Bowman said because of Michigan's greater size, the size of the program could obviously be larger.

Bowman added, "we are contemplating the entire universe" of criminal offenses in

devising a plan, but are not including civil offenses at this point.

"We are trying to work out the bugs and hope it can work in Michigan. I believe we will," he said.

Senate Majority Leader John Engler of Mt. Pleasant has recommended a bipartisan committee to develop recommendations to finance a long-term prison construction program.

The Legislature last month approved \$16 million for additional prison work.

In a related matter, Attorney General Frank Kelley said a Governor is not required to declare an overcrowding emergency when prison populations exceed capacity.

In a brief filed in the Court of Appeals in response to a prisoner suit seeking such a declaration, Kelley said the Prison Overcrowding Emergency Powers Act gives the Governor the discretion to decide to act on the Corrections Commission's finding of an emergency and that the Governor properly carried out his duties last month when refusing to make a declaration.

"In this case, it is the governor's considered judgment that the commission erred by not taking into account the remedial overcrowding provisions of the new legislation, and that factual determination is not reviewable in mandamus," Kelley said.

While not directly saying the commission erred, Kelley said his December 14 letter refusing to declare an emergency following a commission determination that both men's and women's facilities were beyond capacity, he said the letter read in its entirety can only be construed as such a finding.

## Woodlots for Wildlife

Forest management techniques can be applied to develop a woodlot for wildlife. Habitat for deer, grouse, turkeys, squirrels, and non-game wildlife such as songbirds can be improved by increasing the food and cover in the woodlot.

Small one-acre openings can be created in a woodlot. These openings will usually seed in with raspberries, cherries or other fruit-bearing shrubs to provide food for wildlife.

Timber harvesting often benefits wildlife. Thinnings open up a stand and allow more sunlight to penetrate the canopy, thereby encouraging a shrub layer beneath the tree crowns. Aspen clearcuts provide wildlife with thousands of sprouts for browse. Pine clearcuts are re-planted and then often support beneficial shrubs during the years when the trees are small. When the pines become larger they provide wildlife with winter cover.

Dead snags can be left standing in both thinned areas and clearcuts to act as den trees. Small cavities are hollowed out of the snags by

woodpeckers searching for insects. The cavities are gradually enlarged by decay and other animals and are used by a variety of wildlife species for nesting.

Wildlife habitat can be further enhanced by planting fruit-bearing shrubs and trees to provide food, and planting conifer species to provide cover. The species planted should be suited to the soils and the site.

For more information on managing your woodlands for wildlife, contact the Crawford-Roscommon Soil Conservation District at 409 Lake Street, Roscommon, Phone 275-5231. The District Forester is Sherry Castle.

### Social Studies Class

The sixth grade social studies class taught by Miss Karen MacDonald has begun a study of the Middle Ages. To promote interest and the best possible grades for all the students, the class is divided into six kingdoms or manors with six students being the kings or queens for each group. They have four or five other students (knights) as part of their kingdom.

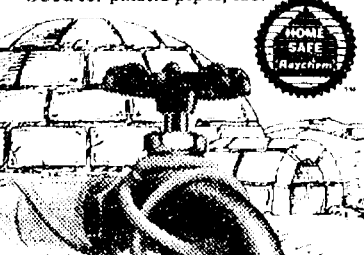

The "feudal wars" take place on each assignment when the kingdom with the highest average for the assignment gets to capture someone from another kingdom.

Each kingdom has a scoreboard and the shields or chests of each king and knight on the wall of the classroom. This not only adds interest to the room, but keeps the students attention on the subject of the Middle Ages.

## Editor's Mailbox

January 7, 1985

Dear Editor,

I am writing this as an open letter to those who may volunteer their time for planning fundraising activities to benefit the many non-profit groups in our area. Please take time to consider how local businesses might be affected.

What brought this to mind most recently was the New Years Eve dinner and party held at the Knights of Columbus Hall. Granted, the Winter Carnival was a worthy beneficiary, but this fundraiser was in direct competition with the local dinner and lounge establishments. Many needed that New Years Eve cash to help them survive a Northern Michigan winter which already had a bleak beginning with too few tourists because of too little snow. Bar and restaurant owners had been asked to sell Winter Carnival buttons only then to have their chairs left empty by this community affair.

These empty tables caused by the competition of the Winter Carnival party stirred some resentment in the business community. One person was tempted to throw their cards of unsold Winter Carnival buttons into the garbage. They will not be the first in line to make any donations in the future.

This unfortunate circumstance might have been avoided by a little advance planning and consideration for the local business persons who try to make a living in Grayling. (Not an easy task when over 80% of small businesses fail.) Could a "Morning After Breakfast" on New Years Day have spared the evening for those depending on large crowds to pay for their bands and food but also have made money for the Carnival?

During the planning stages those involved could contact the Chamber of Commerce or approach one or more business persons and ask, "How will our activity affect those in Grayling who try to make their living in this way?" Perhaps the date, time, or location could be changed to avoid conflict and we could co-exist. Perhaps the proposed activity itself could be changed to a non-competitive proven money maker. 50/50 tickets are an example.

Non-profit groups need not bite the hand that feeds them.

Sincerely,  
Barbara Nielson

Dear Mr. Bohn,  
I have just a couple of remarks about your letter of Dec. 20, 1984.

First of all, I am currently attending Ferris State College, majoring in Computer Information Systems and Accounting. If you would care to share your secret, I would love to know where this four day seminar you

spoke of is located. It would certainly save me a lot of money and time!

However, it's very hard for me to believe that anyone, even a genius, can learn about computers in just four days. I'm taking my third computer class in college, and I continue to learn something new everyday. I just couldn't imagine learning even a third of what I've already learned, in only four days!

Secondly, you say that it doesn't matter where you teach or learn, but what you teach. I cannot totally agree with this. Yes, it does matter what you are taught; and the teachers in the Crawford AuSable Schools are teaching what's important. They are teaching the three R's, not "Hippy values", like you think. In fact, they're doing an excellent job, with what they have.

I attended the middle school from 1974 to 1978, and it was in terrible shape then! Students couldn't concentrate on what went on in class, because the furnace made so much noise. Also, the classrooms were usually too hot or cold. They were rarely at a comfortable temperature. This was about ten years ago! I hated being in that school then, and I certainly wouldn't want to be in it now!

I have a suggestion for you, Mr. Bohn: why don't you attend a class for one week. Then you'd know what those kids have to contend with. Maybe it would change your mind.

Sincerely,  
Diane Whaley

## County G.O.P. Convention Jan. 29

The Crawford County Republican Winter 1985 convention will be Tuesday, January 29, 1985, at 7:30 p.m. at the Grayling City Hall. The purpose of this convention is to select delegates and alternates to the Republican State Convention to be held in Grand Rapids February 15-16, 1985.

The Republican State Committee directs that a state convention of the delegated representatives of the Republican Party of Michigan be held in the City of Grand Rapids Saturday, February 16, 1985, at 9:15 o'clock in the forenoon, at the Gerald R. Ford Center for the purpose of electing the following State Party Officers:

1. State Chairman
2. First Vice-Chair, who shall be of the opposite sex of the Chairman
3. Second Vice-Chair
4. Third Vice-Chair, who shall be less than 25 years of age
5. Fourth Vice-Chair
6. Fifth Vice-Chair, who shall be over 60 years of age, and
7. Sixth Vice-Chair

The debates and alternates to the state convention shall caucus in 16 Congressional District Caucuses at 9:00 p.m. Friday, February 15, 1985, at the site of the state convention for the purpose of:

1. Electing a congressional district chair, a vice chair of the opposite sex as the chair, a secretary, a treasurer, and a committee of 15 members to serve for two years;
  2. Electing two male and two female members to the Michigan Republican State Committee for terms of two years;
  3. Electing one person and one alternate to the State Issues Committee; and
  4. Such other business as shall come before the convention.
- Each voter elected to one of these offices shall be a registered voter of the state of Michigan and those elected to a district position shall be a resident of that district.

### CARD OF THANKS

I just wanted to take this time to thank all of our special friends, family, neighbors, co-workers and Doctors, and nurses of Mercy Hospital for all of their help and support during my recent hospitalization.

Your care, concern, cards, flowers and especially the prayers are very much appreciated.

Sincerely,  
Rich Oliver and family

Our community was saddened by the death of Tom Morris who passed away at Mercy Hospital on Sunday. The Morris family has been a part of our community for many years & have many friends who extend their deepest sympathy.

Mrs. Lottie Harris is a patient at Mercy Hospital, her many friends wish her a speedy recovery.

The Cheerful Givers Club will meet at the home of Ruth Caid on Thursday evening.

Senior Citizen Day will be Friday, Jan. 18th at the town hall starting at 11:30 with Blood Pressure being taken. Dinner at 12:00, come & enjoy the day.

Mr. and Mrs. Marv Wikoff hosted the card party Saturday evening. Prizes were won by Pat Miller, Alice Campau, Virginia Parker, Ruth Caid, Jack Kearney & Tom Miller. Mr. and Mrs. Bill Braun will host the party this Saturday.

New books at the library are: "Sugartown" by Loren Estleman and "LaBrava" by Elmore Leonard. Starting January 22nd, the library will open every Tuesday evening from 7:00 to 8:30 p.m.

### Growing Africa

Today 55 percent of Africans are under 20 years of age, compared with only 30 percent of Europeans. Youthful populations with a high proportion of women of child-bearing age contribute to modern population growth.

## Week of Prayer Service Jan. 25

The AuSable Ministerial Association is sponsoring a special prayer service to commemorate the annual Week of Prayer for Christian Unity. This is the fifth consecutive year that the Ministerial Association has sponsored such a service in Grayling. The theme for this year is: "From Death to Life with Christ." Representatives from eight local denominations will be taking part.

This year the prayer service will be held at St. Francis Episcopal Church on West-72, on Friday, January 25th, beginning at Noon. A period of fellowship will follow. All are most cordially invited.

## W.I.F. News

Our first meeting of the year was held Thursday, January 10th at the Frederic fire hall.

Our regular meeting on Tuesday was cancelled so our members could attend the Frederic Township meeting.

Due to irreconcilable differences with the W.I.F.F. group in Roscommon, our group decided to disband as a W.I.F.F. chapter and reorganize as workers in Frederic (W.I.F.). Our main goals of aiding our communities and individuals will remain the same.

We voted to meet bi-monthly on the 1st and 3rd Tuesdays of each month. We also voted to hold election of officers at our next meeting on January 22nd. New officers will preside over the first meeting in February. We went over the by-laws and the necessary changes were made.

Janet Brown and Ann Denno volunteered to clean the fire hall meeting room.

Anyone in the Frederic and Maple Forest area is invited to join our group. See you January 22nd at 7:00 p.m. Ann Denno Publicity

## Anthony Named To Trust Fund

The Board of Trustees of the Michigan Veterans Trust Fund hereby announces the appointment of Clyde Anthony of Grayling, to serve as the Disabled American Veterans representative on the Crawford County Veterans Trust Fund Committee, for a term ending December 31, 1987.

Last year, the Crawford County committee assisted 38 veterans, widows and dependents of veterans for a total of \$4,377.42.

Throughout the State of Michigan, county committees assisted 29,303 veterans, widows and dependents, with a total expenditure of \$2,996,265.42.

## Financial Aid Workshop

The Grayling High School Counseling Department will be hosting a Financial Aid Help Session on Wednesday, January 30th, at 7:00 p.m. in the High School Library. The February 15th, financial aid deadline is one of the most important steps in the college planning process. Admissions Counselor, Cliff DeNay, from North Central Michigan College will be present to explain the financial aid process and answer questions.

The State of Michigan, federal government and the various local colleges provide financial aid through completion of an application form which is similar to an income tax form. The application procedure is somewhat complicated but well worth the time and effort.

If your child is a high school senior, the workshop should help you understand how financial aid works and what steps you have to take right now to apply for assistance from many different sources. If your child is not yet a senior, you can get valuable information to help you plan ahead for financing higher education when the time comes.

For more information on the workshop, contact the Counseling Office, Grayling High School, 348-7641 extension 40.

## CC Arts Council Dance Program

The Crawford County Arts Council announces the start of its winter semester dance program. Beginning the week of January 21, classes for pre-schoolers through senior citizens will be offered in the areas of ballet, tap, and jazz. Of special interest is an adult (middle school age and up) jazz class, to be offered on Wednesday evenings at 7:00 p.m. All classes are held in the Crawford County Arts Center, located at the north end of the Grayling Mini-Mall. For more information, contact CCAC dance committee members Lorna Morse 348-7037 or Irene Pettijohn 348-9461.

Also held in the Arts Center are aerobic dance classes, offered by YMCA-certified instructors Teresa Furst and Kathy Butler. Each hour-long session offers cardio-vascular work, stretching, and muscle toning for the entire body. Men and women are welcome to register at the first class they attend. Aerobic dance is offered on Monday, Wednesday, and Friday morning from 9:00 to 10:00; on Monday and Wednesday evenings from 5:45 to 6:45; and on Tuesday and Thursday evenings from 6:30 to 7:30. For more information, call Ms. Furst at 348-3296 or Ms. Butler at 348-2305.

## Air Force Basic Completes

Airman James D. Johnston, son of Jerry J. and Joyce Johnston of 211 Center Drive, Roscommon, has graduated from Air Force basic training at Lackland Air Force Base, Texas. During the six weeks of training the airman studied the Air Force mission, organization and customs and received special training in human relations. In addition, airmen who complete basic training earn credits toward an associate degree through the Community College of the Air Force.

## Laugh Till It Hurts!

## C.H.S. Players To Present Riotous English Comedy

Members of the Grayling High School Players are at it again, hard at work putting the finishing touches on another great theatrical production, and this one promises to be a smash hit. The current production is an English comedy by Philip King entitled Pools Paradise. The play takes place in the same setting and with the same cast as See How They Run, however the shows are not sequels to each other. Pools Paradise will be presented in the Joseph Stripe Auditorium on Thursday evening, January 31 and again on Friday and Saturday evenings, February 1 and 2, 1985. Tickets will be available at the door, or they may be purchased in advance from any cast member, from the Community School Office or from the Board of Education Office on Michigan Avenue.

No description of Pools Paradise can possibly convey the zany, madcap events which transpire at the Reverend Lionel Toop's (played by Damon Thayer) vicarage in Merton-cum-Middlewick, England. Briefly, the plot revolves around Lionel's wife, Penelope, (played by Kim Stockton) who dabbles in a football pool with the help of their maid, Ida, (played by Brenda Paus), and Ida's suitor, the droll Willie Briggs, (played by Jeff Martinez). The most fantastic complications ensue when the triumvirate wins - or when they think they have won - more than 200,000 pounds. Lending richly comic hands are the old-maid parishioner, Miss Skilton, (played by Kathy Allen) a visiting minister Humphrey who also dabbles in pools, (played by Allen Morford) and Penelope's out-of-this-world uncle, The Bishop of Lax, (played by Dennis Mansfield). What happens when these assorted characters all get together on one stage has to be seen to be believed. The results are so uproariously funny that the audience is sure to spend the entire evening holding their sides and rolling in the aisles.

## 60th Annual Grayling Winter Sports Carnival Button on Sale

The 60th Annual Grayling Winter Sports Carnival buttons are on sale for \$1 at most Grayling businesses and stores. The funds from button sales help pay for the winter sports carnival events.

Participants in most of the winter carnival events such as the downhill canoe race and the medallion hunt need winter sports carnival buttons to enter.

## Girls, Boys Win Big At 5-Team Ski Meet

Grayling skiers dominated a five-team meet capturing the top 12 out of 16 positions.

For the girls, Heidi Derenzy took first in the slalom and second in the giant slalom with Kris Laudenslager taking first in the giant slalom and second in the slalom.

For the boys, Pete Huss won both the slalom and giant slalom and Alan Weiss finished second in both events.

Freshman Julie Huss, skiing in her first meet, placed third in giant slalom and fourth in slalom.

She was followed by Carrie Longworth, 6th in slalom and 7th in giant slalom, Carol

Longworth, 7th and 9th, Pam Lange, 9th in slalom, and Heather Derenzy, 13th in giant slalom.

Greg Welser took fourth in both the slalom and giant slalom for the boys. He was followed by Kevin Reynolds, 9th in giant slalom and 12th in slalom, Glen Carlson 10th in giant slalom and 15th in slalom, and Mark Gust, 7th in slalom and 24th in giant slalom.

The girls outdistanced their competition by a score of 26 for Grayling to 93 for Boyne City, 102 for Sault Ste. Marie, 103 for Kalkaska, and 147 for Bellaire.

The boys fast times gave them a first place by the

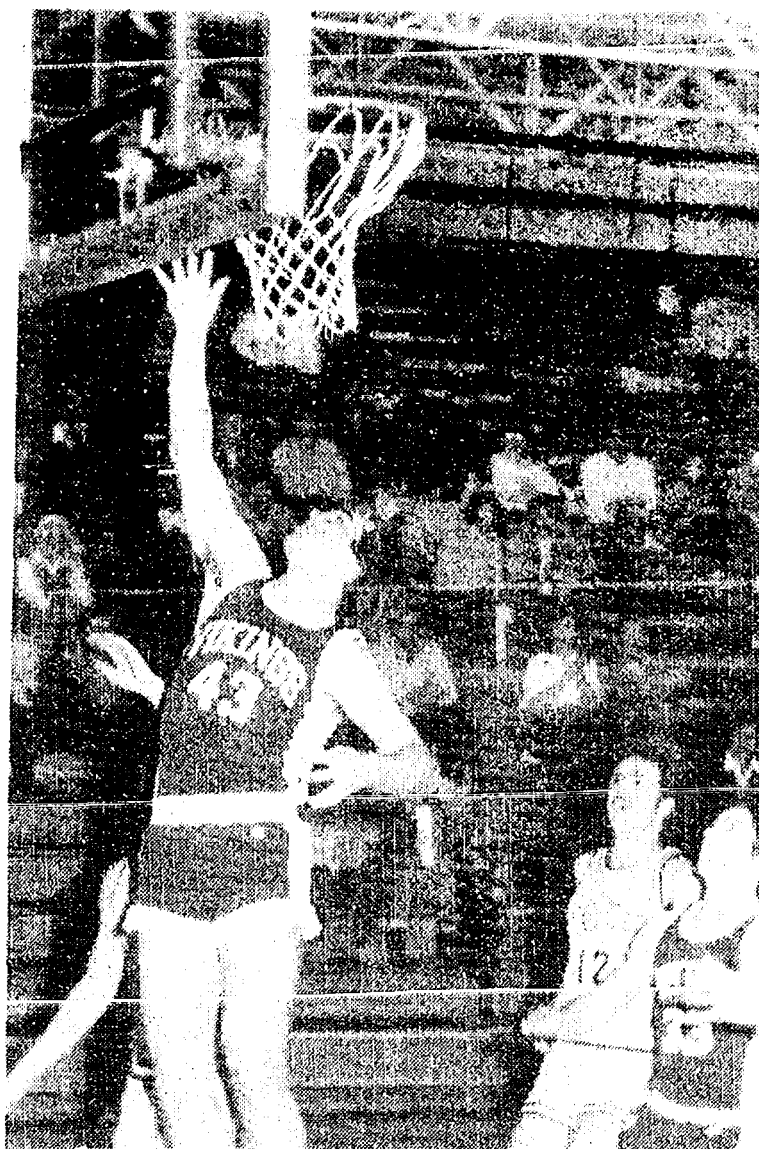

score of 30 for Grayling to 75 for Bellaire, 91 for Sault Ste. Marie, 128 for Kalkaska, and 133 for Boyne City.

It was the opening meet of the season for both the boys and girls teams.

Coach Mike Wieland said both the Viking varsity and junior varsity teams ski against Traverse City Monday, January 14, and Cadillac January 18.

"This will place us in competition with all the state champs from the last few years and give us a good idea of our team strengths," he said.

In state ski competition, Grayling goes against all classes of schools including Class A Traverse City.

GOING TO THE HOOP — Viking Rod Patterson goes up strong to the basket against Gaylord.

## Vikings Fall to 5th-Ranked Charlevoix

Horrible shooting by Grayling left Charlevoix's 5th-ranked state Class C position secure as they topped Grayling 67-48 last Friday.

Coach Butch Hayes said the game was a lot closer than the final score and he was happy with his team's effort except in shooting.

"It was the first we really hustled and put out as a team since the Johannesburg game. I was not happy with the shooting, but our defense was good, and at times we boarded well."

Grayling shot 8 for 41 in the second half (19 percent) when they still had a chance to upset Charlevoix.

Grayling trailed 14-12 after eight minutes of play. At halftime Charlevoix led 34-23. Grayling missed the first two shots of the second half and trailed 47-31 after scoring only 8 points in the third quarter.

Grayling's center Brad Naghtin was forced to leave the game in the first quarter

after suffering a concussion. Another big player for Grayling, Mick Lovely, fouled out in the fourth quarter.

Coach Hayes is looking forward to playing the Raiders at Grayling.

"They knew they were in a game up there. I think we'll do better against them the next time around."

Poor shooting combined with losing the battle on the boards resulted in 62-49 loss to Gaylord Tuesday, Jan. 8, at home. Gaylord outscored Grayling 17-8 and 12-11 in the first periods to lead 29-19 at half. Gaylord tacked on 15 points and 18 points in the next two quarters compared to Grayling's 11 and 19 points.

Against Gaylord, Jon Nicholas led the team with 15, Naghtin had 8, Jeff Branch 7, Gregg Burns 6, Dave Jung 6, Rod Patterson 5, and Rich Brooks 2.

Against Charlevoix, Nicholas hit the nets for 14 points, Patterson had 12,

Branch 10, Burns 4, Lovely 4, Jung 2, and Naghtin 2.

The J.V. squad lost to Charlevoix 67-53 and just missed beating Gaylord losing 46-44.

Against Charlevoix, Bacon scored 21, McEvers 7, Klinger 6, Hull 5, Wolcott 5, Palmer 4, Whaley 2, Somerville 2, and Casler 1.

Against Gaylord, Bacon again led the scoring with 14 points. Bacon hit 10 of 10 from the free throw line. McEvers had 8, Whaley 6, Klinger 6, Palmer 5, Somerville 4, and Hull 1.

In earlier games, the J.V.'s pounded Boyne City 68-45 behind the balanced scoring of McEvers 15, Whaley 15, Hull 10, Palmer 10, and Bacon 10. Against Cheboygan, the junior varsity lost 71-51 with Palmer hitting for 17 and Bacon scoring 14.

Grayling plays Rogers City at home this Friday at 6:15 for the J.V. contest.

## Power Games Clicks For GHS Volleyballers

In a grueling match lasting almost three hours, Petoskey outlasted Grayling 15-12, 13-15, 15-11, and 15-9.

"It was a real slugfest," Viking coach Becky Brown said. "It was a shame one of the teams had to lose."

Piper Ostrowski had an outstanding offensive game blasting 29 spikes in a row at one point without a miss. Ostrowski nailed seven aces off her spikes and her coach said the other spikes were almost always impossible to handle — deep driving hits to the back line.

Shelly Denton led the defense with 15 blocks including three that went right back in the face of the Petoskey spiker. Dawn Phelps contributed 10 blocks and scored 12 points off 12 spikes. Lori Pfaff had eight good spikes and several good blocks.

Phelps led in serving with 16 of 18 good serves. Denise Pittman had 19 of 25 and Denton and Ostrowski had 11 good serves each. Kathy Partin hit some important serves getting 11 of 16 in.

Shannon Krayes led in setting dishing out 54 opportunities.

"I don't feel it was a loss," Brown said. "We moved well, our power attack has scoring points, and our team did alot with free balls."

Brown said the Grayling defense needs to start holding opponents to one or two points a serve instead of two to three points a serve they gave up to Petoskey.

The Grayling J.V. squad beat Petoskey 15-8, 15-13, and 12-15 using strong serving.

The J.V. squad had even more success in a Saturday tournament at Big Rapids

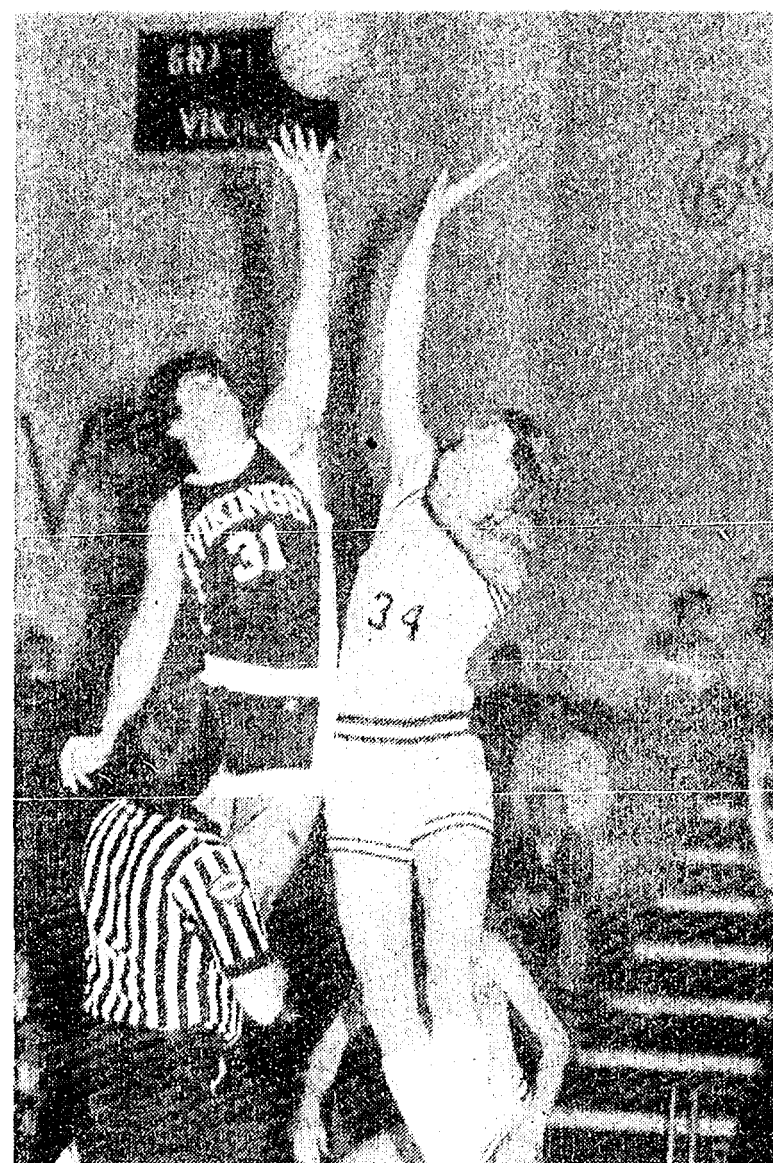

just missing the title. The girls lost 15-11 in the last game of the last match.

They lost in the opening round to Big Rapids 15-2 and 15-11 but then beat Morley Sanford 15-4 and 15-11 and Manistee 16-14, 5-15, and 15-4 to have another shot at Big Rapids. In the finals, Big Rapids won the first game 15-11 and Grayling took the second 15-5 before the decisive third game.

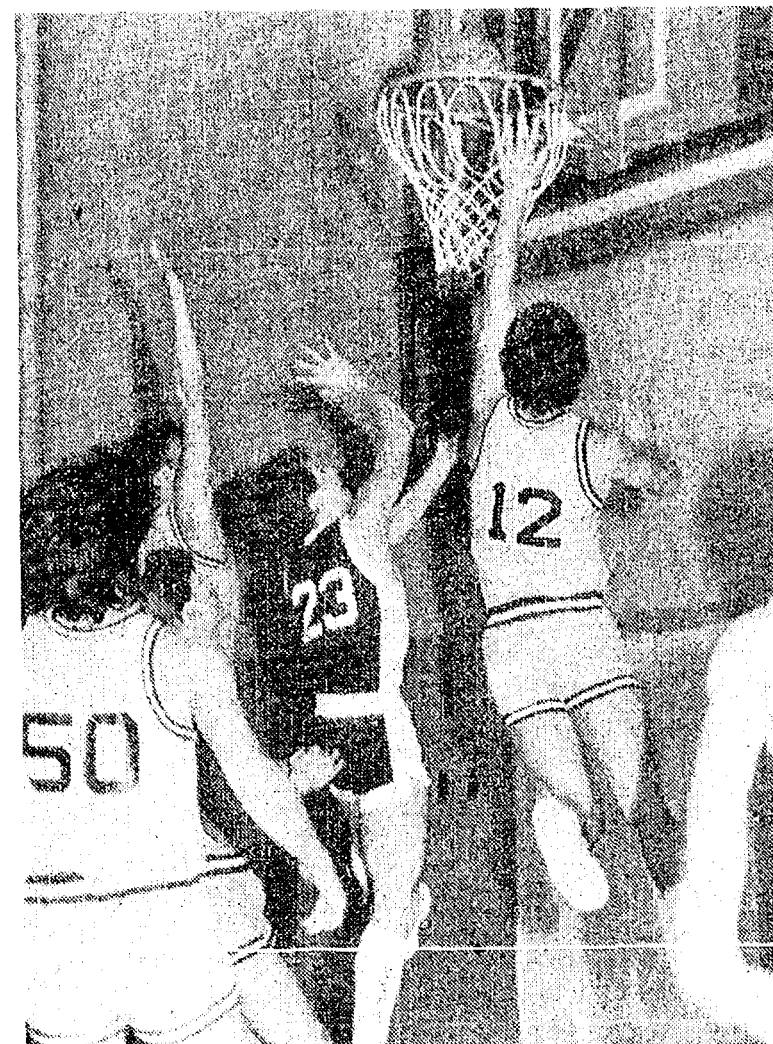

J.V. coach Joan Canfield said Jamie Kaiser had an excellent day with six blocks, excellent serving, and good setting. Linda Huether also led the serving attack along with Jill Brackenbury. Chris Schwartz and Julie Brooks helped lead the defense and Sue Casler and JoAnne Halstead were the main setters. Beth Blackmer and Cindy Sabin contributed coming off the bench.

1984-85 GHS VOLLEYBALL TEAM — Representing Grayling on the volleyball court this year are (front row, left) co-captains Dawn Phelps and Shannon Krayes, Rochelle Campeau, Michelle Barber, (back, left) manager Casey Adams, Lori Pfaff, Piper Ostrowski, Shelly Denton, Kathy Partin, Beth Bedard and coach Becky Brown. Absent is Denise Pittman and manager Jenny McEvers.

SKY JUMP — Mick Lovely soars to reach a jump ball.

OFFENSIVE BOARDS — Gregg Burns gets good position against Gaylord and grabs a Viking missed shot.

## Matmen Capture 1st At 11-Team Tournament

A Grayling line-up of seven freshman and four seniors won the Clare Invitational 11-team tournament Saturday.

Senior Ron Wyman and freshmen Ward Jones and Mark Lowe led the team effort with first place finishes.

Jones pinned all three of his opponents to win the 138-pound weight division. Mark Lowe had two pins and won a 14-8 decision in the finals to win the 105-pound division.

Wyman used a pin, a 7-0,

decision, and a 4-0 decision in the finals to win at 145 pounds.

Senior Tim Moore took a second, senior Robin Monforton and freshman Buck Monforton took thirds, and senior Lance Davis and freshmen Fred Fisher and Rick Sprague took fourths.

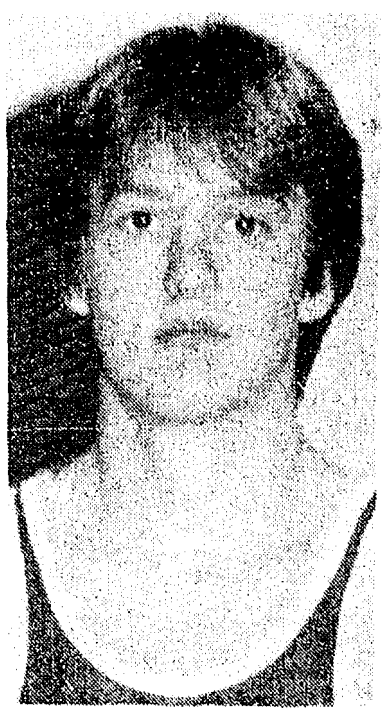

Freshmen Tim Colling and Tom Shively won team points as Grayling had everyone still alive in the tournament in the third round.

With everyone scoring points, Grayling beat out Rogers City 148 to 145 for the top spot out of 11 teams.

Coach Don Ferguson said it was total team effort as everyone worked hard preparing for the invitational.

"They were ready and up for it," Ferguson said. "Our freshman are starting to come on now."

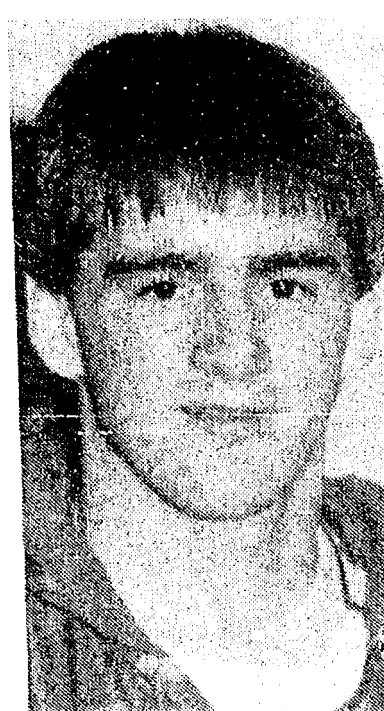

The matmen wrestle Kalkaska and Charlevoix at home starting at 5:30 p.m. Thursday, Jan. 17.

### Hanson Slopes Open, New Supervisor Hired

With snowfall early last week Hanson Hills finally received enough of a base to open its downhill slopes last Thursday night.

Weather and snow providing, the park will now be open its regular schedule Monday, Thursday, and Friday nights 5 p.m. to 10 p.m., Saturday 10 a.m. to 10 p.m., and Sunday 10 a.m. to 5 p.m.

The park offers both cross-country skiing and downhill skiing. For more information call 348-9266.

The Grayling Recreational Authority also announced the hiring of a supervisor, Ray Apley, who started Monday, Dec. 24.

Apley was a personnel manager for five and a half years for a Flint company of 50 to 75 persons. He also controlled most of the day-to-day operations of the company.

Apley has owned property

at Lake Margrethe for five years and moved here in April, 1984. Besides owning his own business, he served two terms as a state representative from Macomb County.

"One of my goals at Hanson Park is to make this a self-sufficient year-round operation," Apley said. "To make this happen, I'm going to need the continued ideas and input from all area businesses and citizens."

Apley was picked by the GRA board from 21 applicants. His position runs until the end of the park fiscal year in June and then he will be reviewed.

## Doodles From The Tall Timber

Wendell L. Hoover  
 Park Interpreter

The basic laws that govern the use of log marks, and therefore who used them, were constantly improved, not only to control who used what mark but also to identify lumber grades, places of origin, the forgery of marks and other violations.

Log marks protected more than the one who stamped the log to indicate ownership. The mark was, on occasion, a clue to illegal cutting. Some operators cut "Round Forties," or cleared a homesteader's back yard to mention two common forms of thievery. However, cutting on Government-owned land or on land for which the proper titles were not obtained could lead to discovery and punishment. One example will suffice. In 1873, one J.F. Bundy cut timber on lands sold through the Land Office as swamp land but which were in fact State Asset Lands set aside for a special purpose. An investigation was undertaken to locate the logs cut on State land and take custody of same. All told, some seven hundred thousand board feet of logs were identified by their marks and seized. The logs were ordered seized by the Cass River Boom Company. Those logs would have had a value of nearly ten thousand dollars in an age when there were few, if any, taxes and a dollar was said to be a dollar.

## District Court

The following persons appeared in 83rd District Court before Judge Francis L. Walsh:

C.F. Hankins, 74, of Grayling, was bound over to District Court on charges of felonious assault and committing a felony while possessing a firearm. Personal bond of \$2,000 was set.

Carrie Moon, 22, of Grayling, plead guilty to a charge of possession of marijuana and was sentenced one year of probation. An original charge of delivery or manufacture of a controlled substance was dismissed by a motion of the prosecutor's office after the above plea was made. Moon was cited September 11 by state police.

Steve Moon, 26, of Grayling, plead guilty to a charge of possession of marijuana and was sentenced one year probation with the first 60 days in a county jail. An original charge of delivery or manufacture of a controlled substance was dismissed by a motion of the prosecutor's office after the above plea was made. Moon was cited September 11 by state police.

John Gugin, 70, of Grayling, plead guilty to a charge of larceny of less than \$100 and was sentenced six months probation. He was cited November 3 by the sheriff dept.

Edward LaMotte, 31, of Grayling, was found guilty by a jury trial of driving under the influence of liquor. He was fined \$355 or 30 days and his license is suspended for six months. He was cited December 21, 1983, by city police. LaMotte was also fined \$305 or 30 days for impaired driving. He was cited August 22, 1980, by city police.

Brian Owen, 25, of Grayling, plead guilty to a charge of allowing a person to operate a vehicle without insurance. He was cited October 3 by city police. He was fined \$255 or 30 days.

Larry Dedafae, 27, of Grayling, was fined \$105 or 10 days for a charge of disorderly person. He was cited November 20 by the sheriff dept.

Kay Gunnison, 34, of Holt, plead guilty to a charge of disorderly person in public causing a public disturbance. She was fined \$155 or 14 days. She was cited October 6 by the sheriff dept.

Hazel Halstead, 42, of Grayling, plead guilty to a charge of disorderly person and was sentenced six months probation. She was cited February 27 following a citizen complaint.

Dawn Spears, 24, of Roscommon, plead guilty to a charge of driving with a suspended license. She was fined \$45 or five days. She was cited November 16 by city police.

## Former Band Director To Receive Recognition at Ann Arbor

LeRoy H. Christian, retired band director from the Crawford AuSable Schools will be honored at a Michigan School Band and Orchestra banquet, in Ann Arbor, on January 19th. Mr. Christian has taught in Baraga, Gladstone, Arlington Heights, Illinois, Calumet City, Illinois and Grayling, for a total of 40 years. He spent 3½ years in the U.S. Air Force Band, during WW II. Directors in Michigan, who have taught, and belonged to the M.S.B.O.A. for over 25 years, are eligible for this honor.

Steve Britton, Grayling Band Director, and Mr. Christian, will go to Ann Arbor, on Thursday, January 17th, to attend the M.S.B.O.A. winter meeting, which will be a 3 day gathering, ending on Saturday, with a final banquet to elect new officers, and honor many directors.

Mr. Christian has been

retired since 1979, lives in Grayling with his wife. He has 3 daughters, and 1 son, and is enjoying his retirement.

## Co-Op Nursery

In early November, the students of the Grayling Co-operative Nursery visited the post office. While there, they mailed letters to Santa Claus which they had "written" at school. A couple weeks later all the students received letters from Santa.

They were really surprised when Santa Claus visited them during their Christmas party. He had a present and wishes for a "Merry Christmas" for each of them.

There are currently openings in our three and four year old classes. Contact Gloria Dana 348-7025 for further information.

## Sibs for Kids

Winter is a sad and lonely time for some, while others enjoy the white softness that seems to cover everything. If you are one of the people who like the snow, now would be your chance to share some of those activities that really are a large part of winter, with some child who needs a friend.

The Crawford County Sibs for Kids attempts to meet the needs of these children with our Big Brother/Big Sister Program.

By doing this, you could open a number of doors to someone who might not have been able to reach the knob without your help.

It doesn't take alot of time or money, the most important thing is to commit yourself and a few hours a week.

For further information on becoming a Big Brother or Sister or if you know of someone who could benefit from this, stop by our office on M-72 West or call 348-2841, ext. 262.

## Chamber Chatter

It may be cold and it may be snowing, but that's the kind of winter conditions that warm the hearts of the outdoor enthusiasts. Winter Carnival Chairman, John Naour, has marshalled his forces of committees for the carnival season. Each year, it's the goal of the committee to make the carnival bigger and better with more activities than before. It's hard to believe that the folks of the Grayling area have been celebrating this winter activity for the past 60 years. The senior citizens of our area remember the magnificent Ice Thrones, created by our own people. It was an art and they had it. Grayling was the first in the area to celebrate Winter Carnivals, followed by Petoskey and then Alpena. Snow trains were scheduled for nearly every weekend in the North Country. Folks from Detroit, Lansing, Grand Rapids would bundle up their toboggans, ice skates and skis and storm off the train for the slopes and ice rink. Local people would furnish sleigh rides to the park and back to the depot, some visitors would stay for the weekend visiting with friends and relatives. All that is changed now. The new generation enjoys the winter season as much, but with different activities.

Complete schedules of events are available at the Chamber of Commerce Office and elsewhere. The schedule for the carnival season begins January 18, and ends on February 3rd. Something happening nearly all of the time. One of the highlights of the last day will be a show put on by the Alpena Figure Skating Club. These young people work hard and will put on a very pleasing performance. Everything is a winner. You've got to see the program to see how much work has been done by many people for the success of the Winter Carnival, 1985. The Winter Carnival is jointly sponsored by the Chamber of Commerce and the Winter Carnival Committee of the Chamber.

The Chamber is also sponsoring the dinner to honor the "Citizen of the Year." Donna Masker and Sherry Haag, Co-Chairpersons of the Committee to select the person for this honor, have been working on this event for some time. It's the Chamber's way of bringing to the attention of the people of Crawford County, the accomplishments of an unselfish citizen, who thinks more of helping others before self. This year's nominees are Dan Priestap of Dan & Maggie's Service Station, Marty VanDeVen, National Guard and Chairman of Hanson Hills Recreation Authority, Larry Raymond, R&H Sports Center, sports and activities promoter and Ernie Dawson of Flowers by Josie and Home Tour Director, Past President of Chamber and promoter of downtown Early American renovations. Please call the Chamber for reservations for dinner to be held January 23rd at the Arrowhead and \$8.50 per person.

If you are skiing out in the woods with an amiable companion, you can revel in the white beauty of the snow. If, on the other hand, you are on a city street, facing an icy wind, you may feel quite differently about the matter.

Isn't that the way it is with almost everything? The way we react to a situation so often depends upon the way it affects us personally. We aren't to be blamed for this; yet we should stop to think that there are two sides to every story. We should not judge the merit of a viewpoint on whether or not it agrees with our own opinion.

The Church is used to different viewpoints, to controversy. It has lived with changing times and opinions for centuries, and it has never been more involved than it is today. The Church is changing as change is needed, ever ready to investigate and to explore the new. Have you been keeping up with it? Why not get involved with your church or synagogue now?

## Social Security Tax Forms Being Mailed

Everyone who received a Social Security benefit in 1984 will be mailed a form 1099, Social Security benefit statement in January 1985. The 1099's for the Grayling zip code will be mailed January 23 and 24 and for Frederic January 13 and 14. The form is for income tax purposes and is being sent because a portion of Social Security benefits for those having other substantial income may be subject to Federal income tax.

Part of the Social Security benefits may be taxed if one-half of those benefits when added to other income exceeds the following base amounts:

\$25,000 for an individual filing as a single taxpayer.  
\$32,000 for a married couple filing jointly.

The 1099 will show the amount of Social Security benefits received in 1984, and a worksheet, form 703, will be included to help figure tax liability.

The form 1099 should be used for income tax purposes only just as any other form 1099 received from a financial institution. Anyone with questions about the 1099 should call the Social Security toll-free number shown on the form. Questions about taxable income or figuring taxes should be directed to the nearest Internal Revenue Office. The number for those offices is shown on the back of the worksheet, form 703.

## Notice of Mortgage Sale

Default having been made in the conditions of a certain Mortgage made by Robert Dibble and Nettie Dibble, husband and wife formerly of Rt. 2, Houghton Lake, MI and whose address is now RR 1, Box 200AA, Citrus, Florida 32627 to Kenneth L. Hastings, (now deceased) and Ployce E. Hastings, husband and wife of Rt. 9, Box 334, Anderson, Indiana 46011 dated August 15, 1978, and recorded in the office of the Register of Deeds for the County of Crawford and State of Michigan, on September 11, 1978, in Liber 172 of Mortgages, on pages 8 and 9 of Mortgages, Crawford County Records, on which Mortgage there is claimed to be due at the date of this notice, for principal and interest, the sum of Ten thousand one hundred seventy one and 69/100 (\$10,171.69) Dollars, and no proceedings having been instituted to recover the debt now remaining secured by said Mortgage, or any part thereof, whereby the power of sale contained in said Mortgage has become operative;

Now Therefore, Notice is Hereby Given that by virtue of the power of sale contained in said Mortgage and in pursuance of the statute in such case made and provided, the said Mortgage will be foreclosed by a sale of the premises therein described or so much thereof as may be necessary, at public auction, at the front door of the Crawford County Courthouse, Grayling, MI, and County of Crawford, Michigan, that being the place of holding the Circuit Court in and for said County, on February 26, 1985, at 2:00 o'clock Eastern Standard Time in the afternoon of said day, and said premises will be sold to pay the amount so as aforesaid then due on said Mortgage together with ten (10) per cent interest, legal costs, Attorney's fees and also any taxes and insurance that said Mortgages pay on or prior to the date of said sale; which said premises are described in said Mortgage as follows, to-wit:

Crisis Pregnancy Center Opening

Abortion is considered by many to be a form of birth control. In some areas of the U.S. there are more abortions than there are live births.

A group of concerned persons from this area have joined together to open a Crisis Pregnancy Center serving Crawford and the surrounding counties.

A public meeting will be held on Monday, January 28th, at 7:30 p.m. in the Classroom bldg. at St. Mary's Catholic Church, for persons who are interested in more information about the Center.

The Center would be under the auspices of the Christian Action Council which is a National organization and be sponsored locally by Open the Door Ministries, Ltd., and supported by local churches and individuals concerned with the lives of the unborn.

The Center would offer free pregnancy testing, accurate and complete information on abortion and the alternatives, emotional support, financial help, maternity and baby clothing, and housing assistance where necessary.

The Center would be staffed by volunteers who have received 20 or more hours of training and all services would be free. Volunteer training will be offered for interested persons.

Anyone who would like more information is invited to attend the public meeting or call Helen at 348-7684.

Substance Abuse

Proposals are being accepted for the provision of adolescent residential substance abuse services in northern Michigan. Interested agencies or individuals please contact Northern Michigan Substance Abuse Services, 1665 W. M 32, Suite A-4, Gaylord, MI 49735, (517) 732-1791 for more information.

# You deserve a tax break today...

## ...and everyday—with convenient payroll deduction to your IRA.

Start an Individual Retirement Account at your Credit Union today and use the convenient payroll deduction plan.

Two things happen immediately. You begin to get a tax break on every paycheck. The taxes on your contributions to a credit union IRA are deferred, and you can invest up to \$2,000 per year. Your payroll deduction can be taken out before your Federal tax withholding is figured.

And you begin to build the smartest kind of investment there is. It's a high yield, insured investment in ... you!

You save taxes now and you save up for a better, more personally satisfying retirement in the future.

See your credit union IRA expert today. Get the breaks you deserve.

All accounts insured to \$100,000.00 by the National Credit Union Administration.

**Receives Promotion**

Matthew S. Phillips, son of Alice Reeves of 131 Cobble Creek, Grayling, has been specially identified for early promotion to senior airman in the U.S. Air Force.

The airman was awarded the new rating ahead of other Air Force members by a "below-the-zone" promotion board which considered job performance, military knowledge, hearing and self-improvement efforts.

Phillips is an administration specialist at Wurtsmith Air Force Base, Mich., with the 920th Air Refueling Squadron.

He is a 1982 graduate of Hamilton County High School, Jasper, Fla.
